

電池式吊重磁盤

Battery Hoisting Magnetic Pack

特點：

- 最適合一般鋼材、鋼板、模具等現場作業。
- 採用電池吸力，並裝有無電前警告器，可安心使用。
- 磁盤採用鈞鋼鑄造成型，底座平面不容易凸出，發揮吊重能力。
- 本台具備用電池替換方式，當蓄電池電力不足時，隨時替換，交換迅速簡便，免耽誤工作進度。

FEATURES:

- Suitable for general steel materials, steel plate, mold tool etc.
- With battery power for attraction, and with an alarm device to notice whether power connection to let you feel at ease on application.
- The magnetic base is cast in silicon steel makes the bottom being more wearable and also attains the best hoisting capacity.
- With stand-by battery set, conveniently to the replacement while needing re-charge.
